Bituminous Surfacing, 1976/77

Project S-4576—Highways 95A and 95, Marysville to Skookumchuck Section (17.8 Miles) (File 5639-45-76)

SEALED TENDERS, marked "Tender for Bituminous Surfacing, 1976/77, Project S-4576," will be received by the Ministry of Highways and Public Works at the Parliament Buildings, Victoria, B.C., up to 2 p.m. on Friday the 10th day of December 1976, and opened in public at that time and date. Tenders must be delivered only to Room 237, Douglas Building, Victoria, which is open from 8 a.m. to 4 p.m., Monday to Friday, except holidays.

Plans, specifications, and conditions of tender may be obtained from the Ministry of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3 (telephone 294-4711), or from the under-

signed for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of these contracts shall conform to the requirements of the applicable sections of the Ministry's "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Ministry of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in accordance with clause (a) or clause (b) below:

(a) Where the total tender price exceeds \$100,000, a surety bid bond in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. The surety bid bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so.

(b) Where the total tender price is less than \$100,000, a surety bid bond or a certified cheque in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways and Public Works shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways and Public Works, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-

out of the work within the time limit specified without in any way curtailing or delaying any Ministry project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills or Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

British Columbia Hydro and Power Authority, of 970 Burrard Street, Vancouver, B.C. V6Z 1Y3, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from Keogh Gas Turbine Generating Station located near the Island Highway, approximately 15 miles southwest of Port Hardy, and gives notice of application to all persons affected.

The land upon which the works are located is the northwest quarter of Section 21, Rupert District.

The discharge or emission shall be located within the perimeter of the property described above.

The rate of discharge is (dry basis):
(a) Maximum, 958,000 SCFM; duration, eight hours a day, frequency, 3½ days per two years. (b) Average daily (based on normal daily operating period), indeterminate.

The operating period during which contaminant(s) will be discharged is on an emergency basis in the event of power loss to Vancouver Island from the Mainland or to Port Hardy from Campbell River.

The characteristics of the contaminant(s) to be discharged are particulate, 0.016 gr/SCF at 12 per cent CO₂; sulphur dioxide, 35 ppm; oxides of nitrogen, 120 ppm.

The type of treatment to be applied to the contaminant(s) is none.

I, L. Jardine, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of Mount Waddington.

This application, dated on the 20th day of October 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

British Columbia Hydro and Power Authority, of 970 Burrard Street, Vancouver, B.C. V6Z 1Y3, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a diesel generating station located at Masset, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 1 of Lot 233, Queen Charlotte District, Plan 5882.

The discharge or emission shall be located at said Lot 1 on Department of National Defence Operations Site Road, east of Masset (see location map).

The rate of discharge is (dry basis):
(a) Maximum, 46,500 SCFM; duration, two hours a day; frequency, twice daily.
(b) Average daily (based on normal daily operating period), 28,000 SCFM.

The operating period during which contaminant(s) will be discharged is continuous.

The characteristics of the contaminant(s) to be discharged are typical for products of combustion from a diesel engine burning diesel oil fuel and natural gas.

The type of treatment to be applied to the contaminant(s) is none.

I, Trevor Gonnason, Assistant Secretary-Treasurer, hereby certify that a copy of this application has been received by the Skeena-Queen Charlotte Regional District.

This application, dated on the 25th day of October 1976, was posted on the ground in accordance with the Pollution Control Regulations.

DEPARTMENT OF FORESTS

TIMBER SALE A08473

SEALED TENDERS will be received by the District Forester at Prince Rupert, B.C., not later than 11 a.m. on the 21st day of December 1976, for the purchase of Licence A08473, to cut 860,900 cubic feet of lodgepole pine, spruce, and trees of other species located 2 miles north of Moricetown, Lot 2165, Cassiar District.

One year will be allowed for removal of timber.

The successful tenderer will not be considered as an established operator for the purpose of applying for further timber within the Smithers PSYU.

Particulars may be obtained from the District Forester, Prince Rupert, or the Forest Ranger, Smithers. no18—9686

TIMBER SALE LICENCE A08570

A PUBLIC AUCTION will be held by the District Forester at Prince George, B.C., at 11 a.m., or as soon as possible thereafter, the 14th day of January 1977, for the purchase of Licence A08570, to authorize the harvesting of not more than 11,860 cunits of timber each year for a 3-year period.

Cutting permits to be issued under authority of this licence will authorize cutting on an area situated on four blocks in the vicinity of Tsus Creek and Bowron River, Cariboo Land District, within the Purden PSYU in accordance with a development plan to be submitted by the successful tenderer.

To be eligible to submit bids and have those bids considered a tenderer must have an allocated annual volume in the Purden PSYU available for application to this licence of not less than the annual harvest volume authorized by this licence. Furthermore an eligible tenderer must be the operator of a wood-processing plant with barking and chipping facilities utilizing logs to a 4-inch top diameter. Each eligible tenderer will be required to submit proof that the timber to be authorized for cutting is required as a supply to keep his wood-processing plant operating to the capacity approved by the Licensor.

Anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the Chief Forester, Victoria; the District Forester, Prince George; or the Forest Ranger, Prince George. no18—9686
